Number of punch holes	**34 x 4.5mm dia. round holes 3 :1 pitch**
Binding capacity	**95 sheets (using 12mm dia. ibiClicks)**
Machine weight (Machine only)	**8.1 kg**
Machine weight (Including Packaging)	**8.6 kg**
Machine dimensions	**L440mm x D370mm x H290mm**
Product code	**IB270075**
Bar code	**05019577215958**
Pallet quantity	**18 (Pallet dims 1200 x 800 x 150)**

FEATURES AND BENEFITS

New ibiClick punch & binding system, for the fast creation of presentations, reports and manuals. Excellent presentations can be created using environmentally friendly ibiclicks, that can be re-opened and closed many times. The double handle provides more cut capacity and the closing mechanism minimizes operation time.

- 4.5mm diameter round holes
- Double handle for extra power
- 12 sheet punch capacity
- Closer & un-zipper mechanism
- ibiClick & Cover Storage built in
- Made in EU
